

# APPLICATION FORM

## 1. Applicant Information

**Business name**

**ABN/ACN**

**Primary contact name**

**Primary contact email**

**Position**

**Website**

**Street address**

**Street address line 2**

**City**

**State**

**Postcode**

**Phone number**

**Mobile number**

---

## 2. Applicant's Acquirer Information

**Applicant's acquirer name**

**ABN/ACN**

**Primary contact name**

**Primary contact email**

**Position**

**Website**

**Street address**

**Street address line 2**

**City**

**State**

**Postcode**

**Phone number**

**Mobile number**

## Payment Processing Information

3. Is the Payment Processing Agreement being sought for a fixed term?

Yes                  No

If yes, please state length of term sought?

4. Does the Applicant accept all the terms and conditions of the Payment Processing Agreement?

Yes                  No

If the Applicant requests any changes to the Payment Processing Agreement, Cabcharge will consider the application to relate to a Non-Standard Payment Processing Agreement.

---

## Project Information

5. The Applicant has been provided with the Cabcharge Engagement and Connectivity Guide. Do you comply with the requirements of the Engagement and Connectivity Guide?

Yes                  No

To allow our project team to prepare the project plan and enable the Applicant to connect to the Cabcharge Payment Gateway within the shortest time possible, further project information is required.

6. List external dependencies, restrictions or activities that are taking place in parallel within the Applicant that could potentially impact the project timeline to connect to the Cabcharge Payment Gateway.

7. Please attach to this application your high level proposal identifying how you will meet the Service Standards in Schedule 2 to the Payment Processing Agreement and comply with the terms and conditions of the Payment Processing Agreement.

Attached                  Not Attached

## Technical Information
